

Adopt-A-Defib Partners with Relion Finance

Adopt-A-Defib has partnered with Relion Finance, an Australian leader in healthcare and medical equipment finance who offer the largest range of finance options for your purchase from Adopt-A-Defib.

Relion Finance can assist start-ups, new businesses, and well-established businesses providing fast and easy finance solutions for professions who need to finance equipment urgently.

Customers that finance equipment will enjoy various Tax benefits that assist in lowering the equipment's Total Cost of Ownership. Take advantage of our competitive rates and quick approvals along with a full suite of finance products such as Rentals and Chattel Mortgages to meet your budget.

For a confidential discussion call Anthony on 0459 777 888 to see how we can assist your business. Alternatively, you can complete our fast and easy [online application form](#) to get your application started today.
